

Introducing Simplified Pricing for 2012

We are continually working toward providing a better client service experience. Based on client feedback, we've made three significant changes to simplify our pricing structure for 2012:

- > Combined Annual Fee and Investment Transaction Fee to provide **unlimited alternative investment transactions**¹
- > Changed billing cycle from quarterly to **annually**
- > **Reduced** a number of "nuisance" fees

Annual Account Fee

The annual account fee will be \$300 for 2012. The fee includes all alternative investment transaction related fees¹ including purchase or sale of an asset, asset liquidations and capital calls. As a reminder, the annual account fee covers:

- > facilitating investment transactions as directed
- > tracking and reporting all investment activity in your account
- > processing annual tax documents
- > receiving income from investment assets, such as rental income from real estate
- > administering your account in accordance with the many rules and regulations affecting your account

Frequency of Billing Account Fees

The other big change to the fee structure is how often clients are billed. After careful consideration, we are changing the billing cycle from a quarterly to annual basis. We implemented this method with a large segment of clients and found they prefer it.

Simplified Fee Structure

We also looked at several ways we could reduce or eliminate "nuisance" fees which our clients often comment on. For example, you are no longer required to have a minimum cash balance for accounts that hold alternatives** in your account which means no more low balance fees.

For full details, please reference the following Fee Schedule. If you have questions regarding these changes, please call our client service team at 800.618.6177 or send an email to alternatives@mtrustcompany.com.

¹ Additional fees apply for Real Estate, Promissory Note and Promissory Note Extensions. Optional Service Fees and Late Payment Fees, etc. still apply. ² Minimum cash balance still applies for accounts that hold Futures and Real Estate.

First year's annual account and asset holding fee will be processed in the month after the account is opened and in the same month each following year. Fee payment methods include: credit card, bank account debit, or invoice. For unpaid invoices, a late payment fee of \$25 will be assessed after 30 days of the invoice date and every month thereafter until payment is made.
