8. A minimum of \$500 of money market deposits ("Minimum") must be kept in my Millennium Account at all times;
9. In conjunction with the above investment instruction(s), I have reviewed all pertinent information and documents relating to the transaction(s) (including the safekeeping agreement, any offering or explanatory material) and I authorize Millennium to execute, as custodian of my Account, the necessary purchase/sale documentation and the safekeeping account agreement;
10. Millennium's sole safekeeping responsibility shall be safekeeping the Perth Mint Certificate(s) after they are received by Millennium. Millennium will not take physical possession of any precious metals;
11. I have received no investment advice or recommendation from Millennium or any of their representatives relating to the above investment direction, the purchase or sale of precious metals in general, or any investment;
12. 13. I hereby personally indemnify and hold harmless Millennium from any Damages arising from or in connection with this Investment Direction;
14. I have made myself aware of the risks involved with purchasing and holding precious metals as an investment;
15. Millennium shall not take any action with regards to an Investment Direction for a purchase unless and until sufficient liquid funds are available in the Millennium Account, over and above the Minimum, to cover the purchase amount and any charges and fees involved with the purchase transaction.
