Service & Administration Fees – Millennium Trust may also receive a fee from various mutual funds in return for providing servicing, administrative and/or recordkeeping services (Services). In addition, Millennium Trust may charge a fee, which varies over time but cannot exceed a maximum annualized rate of 4.0% on cash held in the FDIC - insured bank demand account (Account) in return for providing the same type of Services. This fee is deducted directly from the interest earned on each Account and the net amount is paid to your account monthly.

¹ Non-refundable. ² Fees are either charged to your credit card, debited from your bank account or invoiced on a quarterly basis. ³ Includes purchases, sales, liquidations, tenders, rollovers, etc. and is assessed to account at time of transaction. ⁴ Additional fees will apply for precious metal investments over \$100,000 per account. ⁵ Does not apply to individual transactions within a brokerage or futures account. ⁶ Millennium Prototype Plan only. ⁷ Plus any re-registration of assets fees and third-party charges.
