

Easy and Affordable Workplace Savings Options for Small Businesses

Forty-seven percent of small businesses don't offer a retirement savings benefit program. Workplace Savings is designed for businesses where 401(k) plans may not be the best fit and aims to increase employee access to tax-advantaged retirement savings at work, all while minimizing the cost and time required of the employer.

Provider Benefit

Workplace Savings enables you to offer your prospects and clients a solution within your HCM suite that does not exist today.

Client Engagement: Gain a deeper level of engagement with your small business clients by offering an easy, affordable retirement savings benefit.

Add Value: Increase your value proposition to new and existing relationships with a flexible and innovative retirement savings benefit program for your clients.

Employee Satisfaction: Help your clients reduce employee turnover and increase high-value employee retention to improve their return on investment.

Simple & Affordable

Workplace Savings reduces both cost and administration, eliminating employer concerns about the cost and complexity related to retirement plans like 401(k)'s.

Paperless & Online

Contributions are made via payroll deduction, making it easier for employees to grow their savings while keeping the process simple for the employer.

Employers and employees can access their account and complete transactions online through our user-friendly portal.

Employee Peace of Mind

Employees get access to a tax-advantaged savings option to help them achieve retirement readiness, with diverse, flexible investment choices, including professionally managed options.

Find the Right Fit

Workplace Savings features multiple plan options to accommodate any size business:

Payroll Deduction IRA: Employers of any size make Traditional and Roth IRAs available to employees, and contributions are made via payroll deduction.

SIMPLE IRA: For businesses with 100 or fewer employees, a SIMPLE IRA is similar to a 401(k) but without much of the administrative cost and complexity.

SEP IRA: Designed for sole proprietors or small family-run businesses, a SEP features higher contribution limits and all contributions are made by the employer.
